New Features

Dropdowns for Publications*

Now you can provide users even more options to choose from in Create & Publish! Admins can create new [Dropdown fields](https://lytho.knowledgeowl.com/help/organize-dropdowns) to populate pre-approved copy, taglines, and other custom text. You'll be able to maximize the flexibility of your templates while keeping your Publications on brand and typo free.

**Available to customers with Create & Publish*

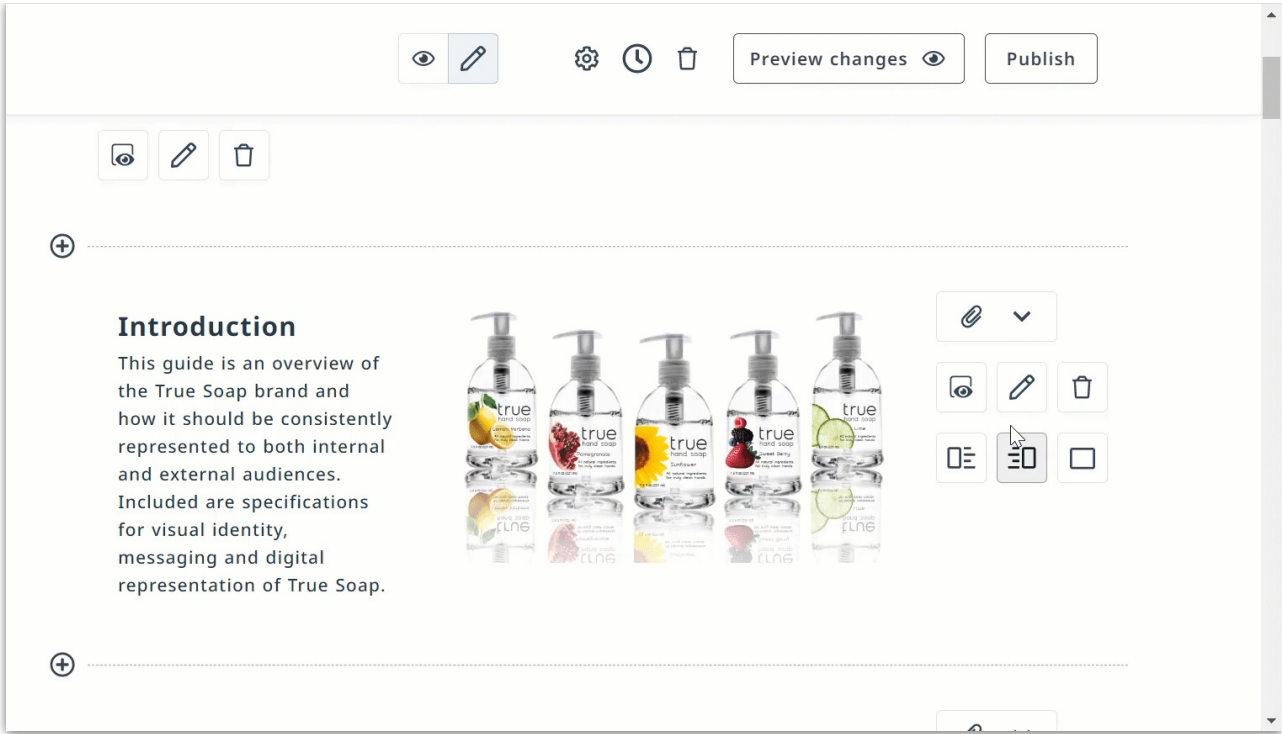

Improvements

More Control with Images in Brand Guides*

Now when editing [images](https://guide.lytho.com/help/content-block-tools#image-video) in brand guides you have the ability to adjust the size, giving you even more control over the layout.

**Available to customers with Brand Center*
