

# Release Notes - December 18, 2023

Published on 12/12/2023

## Improvements

### View Created Change Requests

A new status, **Created**, is now available when viewing [Change Requests](https://guide.lytho.com/help/change-requests) in custom views and reports. This extra visibility allows you to see change requests that are in a draft state so you can better manage the associated work.

### Feeling nostalgic? Here's what we released...
