New Features

Shared Custom Views

Custom views allow your team to save their favorite filters in Requests, Campaigns, Projects, Tasks, Proofs, Calendars, and Workload for easy repeat access. Now you can [share your custom views](#) (<https://guide.lytho.com/help/shared-custom-views>) and ensure your team is working from the same perspective, decreasing confusion around what should be worked on next, and fostering alignment between and across teams.

The screenshot displays the 'Work Due This Week' view in the Lytho application. The interface is divided into a sidebar on the left and a main content area. The sidebar contains a 'My Work' section with 'My Work' and 'All Work' options, and a 'SHARED WITH OTHERS' section with 'Team Standup' and a '+ Add View' button. The main content area features a top navigation bar with 'Add Task' and 'Add Proof' buttons, and a search bar. Below the search bar, there are filters for 'Due This Month' and 'Filter by Assignees (3)', along with a 'Clear' button. The main table lists tasks with columns for 'WORK NAME', 'DUE DATE', 'WORK STATUS', and 'ASSIGNEES'. The tasks listed are: 'Pull Images for Social Ad' (Due: 02/29/2024, Status: In Progress, Assignees: Caleb Eisenhower, Chris), 'Send deliverable to requester' (Due: 02/28/2024, Status: To Do, Assignees: Grace Deng, Maya Ngu), and 'Winter Sale Email Banner' (Due: 02/02/2024, Status: Completed, Assignees: Natalie Williams). The table also includes a '1-3 of 3' indicator and a '20 per page' dropdown.
